PIMM™ TAG RECEIVING QUICK GUIDE

1. Retrieve the **PIMM™ Tag** from the trailer upon arrival. The recorder should be located i**n the envelope** on the **top-right corner** of the pallet facing the trailer's door.

2. Remove the **PIMM™ Tag** from the **envelope** and **clear packaging**.

3. Plug the **PIMM™ Tag** into a USB port on your computer.

4. PIMM Connect will automatically **detect** the recorder, **download** the data and **transmit** it to the server. Your registration page will open shortly on your web browser.
